The Serbia international has started every game since the start of the season, a run that has been broken only by David de Gea's injury problems. The 27-year-old midfielder was rewarded with a new five-year deal in December, but it is understood that Chelsea have always been keeping a close eye on his situation. Serbia international Matic was at West Ham as a youngster and is said to have spoken to long-time friend Slaven Bilic about becoming a boss. Manchester United manager Jose Mourinho has also been linked with the role, but the Chelsea job is seen as the more attractive option. A new direction is needed at Chelsea under new boss Antonio Conte, with his former player signing for United and also bringing in German superstar Mesut Ozil. An exit for club captain John Terry would be a major blow, but the 34-year-old has made his feelings clear about staying at Stamford Bridge.Q: What is the meaning of null object pattern in javascript? I am new to javascript and I see people use a null object pattern like this. const null = {}; can someone explain to me what is the meaning of this? A: The null literal is just a shortcut for object with properties {}, so when you use null, it's the same as writing object. The null object is an object that only has properties that are null. const object = { a
