It was part of the NEPLAN Software 5 and it is now available as a free download in Neplan V5.5.1. . please accept my sincere gratitude. This is a great course. I took this course with my old Neplan 5 software and it helped a lot with my Neplan 5.5 application. I was able to complete my Job - I can't imagine how much I would have missed if it wasn't for this course. Thank you so much! . Neplan 5.5.4 download Neplan 5.5.4 . Neplan.
