Moorhuhn Kart 2 is a free, open source, and multiplayer kart racing game in three-dimensional (3D) graphics, developed by phenomedia publishing gmbh and published by ak tronic Software & Services GmbH. The 3D graphics in Moorhuhn Kart 2 are rendered using the OpenGL API and ShaderFX. The game implements physics, an anime-style art style, sound effects, voice acting, and ambient music. A demo was released in January 2003 and a full version released in November 2003. The full version includes seven single player racing modes and a multiplayer mode with up to seven players on a single PC. Code:
