You can play Cars Thief 3D on Windows, Android, iPad, Mac or Linux. Play Cars Thief 3D mobile game on your Android device and win big jackpots. Download Cars Thief 3D today. Cars Thief 3D is another game from the Megaworld series, and it takes place in the futuristic city of Asteria. The main character of the game is Free, a professional thief who is known for his skills as a thief. In the game, the player takes the role of Free in robbing different buildings and stealing new vehicles. The objective is to collect 50,000,000 free coins for unlocking the different police cars in the city, and then 50,000,000 free coins for a final goal: a 100-point crime spree, and then he will be able to play as the main character, Free. Throughout the game, Free will reach levels, in which the game is constantly improving. In the game's story, Free will go through five stages of life, starting with childhood and then graduating to adulthood. Game Features - Simple gameplay - Free is great at robbing, stealing and getting away - Hard missions - Free will attempt to complete a range of missions, from simple to hard - Vehicles - Free will advance through the game, unlocking new vehicles, both stolen and non-stolen - Improved gameplay - A range of improvements have been introduced in this game, including new missions, improved missions and the introduction of new vehicles - A playable map - There are 26 maps to choose from, and all of these are viewable at any time - Plenty of missions - Over 30 missions to play - Free racers - You decide - High quality - Don't forget to play Free Racers Cars Thief 3 [ba244e880a](#)
