Posted on December 17, 2011 13:27 by by its all true except the part that doctor sleep part is also true because the boy in the wheelchair is him he has a gift of seeing his past lives and he has a past life with the old lady witch which is the part that she asked if he had a gift that he says yes then the old lady witch takes him to her home and she feeds him sweets and then leaves him with an axe to kill him but he doesn't hurt her so the old lady starts taking him to her son's grave site and the boy wakes up in the doctor sleep's room and says, "But I can't be her." The boy in the wheelchair that he has in the book he says, "What would happen if you told me who you really were?" He says, "I would know who to be." He says, "I would be you." by by Doctor Sleep Epub Download EPUB Download It By Stephen King Release Date: 2016-01-01 Genre: Horror Size: 12.64 MB Read & Download for Free!
