"Overall, I'm a huge fan of the original game and this one does a really good job in replicating the original. The controls are easy and the game mechanics are amazing. Not only that, but there are lots of items and power-ups to pick up and manage and you can even make your own patterns. I would recommend this game to anyone!" - Al Hernandez, Facebook.com/AlHernandezReviews ★ YouTube ★3.9/5

"Playable on both desktop and mobile, blastball 3 is a great way to combine high-speed gameplay with unique power-ups that keep you constantly on the edge of your seat. At only \$1.99, it's an incredible value." - Joe Carella, AppShopper.com "This game feels like an evolution of the original game that didn't feel like a sequel, but a fresh new twist on an already amazing game. You will love it!" - Jake Bardsley, AppShopper.com ★ Google Play ★5/5 "I absolutely loved Blastball 3, it had a great amount of depth that's incredibly satisfying to play. I love the way the game does not feel like it's trying to cash in on anything, but something they themselves just created. I'm super excited to see where the franchise goes from here." - Nick Tan, Google Play ★ Google Play ★4.9/5
