Like how to get it to look like a hearts shape, look like a cube etc. Thanks, Jimmy A. One of the ingredients of my childhood gummy candy recipe was coconut oil. I haven't used that for a few years now, but I think it should work for the other items you have listed. Coconut oil gets gummy Coconut oil gets hard Buttercream and whipping cream get soft Try the coconut oil version of gummy. If you don't like it, try switching to buttercream and whipping cream. A: I hope the following ingredients are not too specific but they do make gummy products. Your four main ingredients are the key ingredients in making gummy candy. Starch: just add starch to the first five ingredients to make the base the gummy candy. Add vanilla and flavoring if you want. Buttercream: Use buttercream or whipping cream for the gummy candy or base. Oil/F
