Prasad Category:Films featuring an item numberAs Hillary Clinton touts her legislative agenda for the first 100 days of her presidency, the Clinton Foundation is no stranger to controversy, writes Mary Anastasia O'Grady. THE Clinton Foundation has been exposed in so many ways over the years – for scandals relating to the deaths of US diplomatic staff in Benghazi, for the political “pay-for-play” of the Clinton Global Initiative, for the selling of influence with the former President's administration and most recently, for accepting money from foreign governments and foreign entities, as well as from individuals. So, it's not hard to understand why Democratic presidential candidate Hillary Clinton has said that she will oversee the day-to-day operations of the Foundation and that she will limit her time with the Foundation to 10 percent of her overall schedule. It's also not hard to imagine that this type of statement would have raised red flags among those in the Republican base, who are already up in arms about Clinton's legacy as a political figure. So, who else can Clinton turn to? Who better than the last Democratic candidate to hold the office of President? The Clinton Foundation and the Clinton Global Initiative have undoubtedly become a symbol of the three-headed monster that has been corrupting politics in Washington, D.C. for the past 25 years. From the creation of the Clinton Foundation, with its controversial [◆](#)
