By downloading the driver and firmware, you agree to the terms and conditions as listed here. The device will prompt to connect to the computer. Canon PIXMA TM MP Color Printer. You are reporting the comment 9 days after its moderation date for review. I would like to buy a Canon PIXMA TM X all in one printer from the Canon website. Read More Canon has a customer service number, too. Get a free repair estimate. However, please note that it is illegal to sell parts without the written consent of Canon Inc. Canon Pixma Ink Cartridges and Supplies for Computers, Black-and-White Canon Pixma Tmg Printer for Black-and-White Canon Pixma Tmg Printer for Color Show 10 of 32 Comments. Although it is not yet clear whether this extends to the same line of Canon Tzga PJU-E drivers that the manufacturer has stopped offering, it is possible that other Tzga-compatible printers such as the Brother MFC can be updated to the latest drivers. The new printers introduced this year might be compatible with Tzga compatible drivers, but none of these printers support the newly introduced Tzga drivers. Browsing for Custom Download Support on your product. The Pixma Tmg, previously known as the Printer, is a black-and-white laser printer manufactured by Canon. This product has been discontinued. The indicated paper size. When I first plug in the printer, it does not even show up in the printers folder. You need to receive a Cano^n Invoice, which you can use to make payment by credit card on-line via PayPal. You will receive your invoice via email. If your invoice can not be processed using PayPal, you will receive an email informing you of the credit card payment option. This is the first ink cartridge I have had for my printer that I could not get to print. It is filled and can be used but does not print. After spending the extra money to get the new Tzga driver, I am so disappointed that it is not compatible with my printer. If you find the instructions and accessories helpful, please consider making a donation. You are reporting the comment 9 days after
