Revised the User Interface to make the drawing area easier to navigate.

System Requirements:

No DLC required, your saved games are compatible! *Buy the game in the PlayStation Store Once Upon A Time In Northland... About This Game: Long ago, a madman called Echidna stole a dark power known as the Twilight and used it to create the kingdom of Eorzea. Many years later, the Twilight again became unstable and revived monsters that fed off the energy of living beings. Known as the God-King, Echidna returned to claim the Twilight and rebuilt the kingdom of Eorze
