---

Oct 20, 2019 I have re-encoded the mod file with a new version of Nexus Mod Manager as not all of the attached files have been updated. NOTE: This mod only works with the original Skyrim game and SKSE. You cannot use this mod in the Skyrim Special Edition. As for SKSE mods. I use Nexus Mod Manager and I can't guarantee they will work with this mod . References

mods Frequently Asked Questions  
Frequently asked questions about the  
City of Branson's proposed 2% tax on  
services. Please click on the link above  
to open the pdf in your browser. Will  
the City of Branson ever have more than  
2.9% sales tax? We have no plans to ever  
have more than 2.9% in sales taxes.  
What are the services that would be  
taxed? Branson's proposed 2% sales tax  
is a county-wide tax, meaning that all  
purchases of goods, services, and

---

insurance in the City of Branson area would be subject to the tax. Is the Branson Community Development Corporation liable for the tax? Yes. The Branson Community Development Corporation (BCDC) will be the entity responsible for collecting the tax. The BCDC has collected the tax on behalf of the city before. For instance, the BCDC provides administrative services for a lot of the city's operations. Is there any "border sales tax" that Branson residents are already paying? While Branson does not currently charge a sales tax, the county does tax service calls in the City

---

of Branson. Are there additional services that would be subject to the tax? The city has identified the following services which would be subject to the tax. Our City Attorney will be working on assessing the impact on each of these services. What is the impact of a 2% sales tax on the City of Branson? Based upon our current analysis, we have the following projected results: The sales tax collected by the City of Branson 570a42141b
