History: a short quiz on Medieval Europe For Windows 10 Crack is an education to test your history knowledge. Try History: a short quiz on Medieval Europe for free or register your free account and test your knowledge about Medieval History at no cost. learn more about History: a short quiz on Medieval Europe History: a short quiz on Medieval Europe Reviews 4 5 7 7 The best Review by Maureen M on 2/2/2014 I love this app! It's perfect for studying for any class or keeping up to date with general knowledge about the Middle Ages. I like the easy navigation and the choice of subjects. My only complaint is that the filters didn't work for me, so I had to add the subject field to refine my results. That was a simple fix, but overall, I love this app! I use it every day. Simple to navigate Review by Tijanni on 2/2/2014 It's very easy to navigate and the options for sorting are clear and easy to use. It's just what you need to quickly refresh your memory of information. Great app Review by Simon, Paul on 12/21/2013 Used this on S3 from my phone then of course bought it on Kindle since I have an Android device, it's a great app, easy to navigate and has loads of useful content, quick and fun to use. A very good app Review by Elinor on 12/16/2013 I like the fact that the questions are designed to have a similar content structure to the actual lessons - keeping the questions as close to the one's you see in class as possible. Also liked the fact that the the questions were fun - something that might be missing from apps, if you are studying a more academic subject, like history. Having said that, the topic of the app, the Medieaval Era, wasn't covered as much in my degree as I would have liked. Easy to use Review by Julie on 12/16/2013 I can recommend this app highly. I like the fact that the questions are grouped by type and by area. WOW!!! Review by Anonymous on 12/1/2013 It's very easy to navigate, you just need to choose any area and there you are! Great app to test your knowledge!! A Great App Review by Jonathan on 11/28/2013 A Great App! 09e8f5149f
