AutoCAD Crack + With License Code Download

The AutoCAD Cracked Accounts brand and the CAD software are owned by Autodesk Inc. AutoCAD is currently available for the following operating systems: Microsoft Windows Apple macOS Linux Google Android Apple iOS A version for Symbian (S60) and BlackBerry is also available. It is available for Microsoft Windows and Apple macOS on a local drive, but on mobile devices it is typically read-only. On macOS and Linux, it is read-write. Note: In iOS, the app is read-only, but the iOS model can be opened with the iOS simulator. On Windows Mobile, the app is read-only. Unlike most CAD software, AutoCAD is not an integrated software product. Instead, AutoCAD consists of a number of individual programs that can be downloaded and run as a standalone app, including: AutoCAD LT: CAD with limited functionality, usually used for quickly drawing a diagram. It is often used for creating presentation drawings and sketching. AutoCAD Architecture: CAD for design-focused architectural work. It is similar to Revit Architecture. AutoCAD Map 3D: CAD with map-style rendering for the building footprint and the data overlaid. It is part of AutoCAD LT. AutoCAD Mechanical: CAD for design-focused mechanical engineering and manufacturing work. It is similar to Revit Mechanical. AutoCAD Electrical: CAD for design-focused electrical engineering and manufacturing work. It is similar to Revit Electrical. AutoCAD Electrical and Mould: CAD for design-focused electrical engineering and mold-making work. It is similar to Revit Mold. Additionally, AutoCAD can be used as a CAM (computer-aided manufacturing) application. How to install and run AutoCAD Note: AutoCAD 2018 for iOS has a new licensing model that requires an AutoCAD subscription to run the app. See Autodesk's licensing page for details. Installing AutoCAD on Microsoft Windows Download AutoCAD. Install. When the installation is finished, launch the app. Installing AutoCAD on Apple macOS Download AutoCAD. Install. When the installation is finished, launch the app. Installing AutoCAD on Linux Download AutoCAD. Install. When the installation is finished, launch the app. Inst
