The tool is really simple to use: just run the exe file and you will be able to fix a lot of registry keys that have been damaged by a lot of malware. Autorun Registry Keys Cleaner Features: ------------------------------------ Please, try our program and support us by rating it 5 stars. This tool supports most of the Windows version including XP, Vista, 7, 8, 8.1 and 10. This tool is good for all of the platforms including, Windows Mobile, Android, IOS, Unix, etc. Autorun Registry Keys Cleaner Rating: 5 out of 5 stars Tracy Berger September 30, 2018 Overall, very satisfied! It takes a few seconds to scan the whole disk and fix the keys that are not associated correctly. A full scan takes a little longer and it really helps to fix a lot of registry keys that are broken. A full scan is not enough. It's really quick, easy to use and to fix the registry keys. Free and Useful Program Autorun Registry Keys Cleaner Rating: 5 out of 5 stars Kathryn Went April 10, 2018 This is a great tool for cleaning up the registry.
