Judging by the comic, Huey and Riley leave the city for the suburbs with their short-tempered grandfather. A sharp socio-political comment ... And then one day they meet a young guy who looks like a man in a mask, who kills everyone who gets in his way. Unlike the previous part, here the main character is Riley, who is not going to give up, despite the fact that his father is also killed, and his grandfather, who has just lost his son and wife, is dying. And that's just one reason to go see this movie.
