I will provide step by step instructions for each Apple model .Q: JavaScript: Selection Index of Form Fields In a web form application, I am trying to get the index of selected Form Fields. For example, if I selected 3 fields I want to return [1, 2, 3] var index = getSelectedIndex(); It's important to note that the Form Fields are not organized in a table or row. Thank you A: This is not possible. You can get the index of a checked checkbox, however. HTML JS
