Mafia III Game Download, Mafia III Game Full Version 100% Working 2020 Buy Mafia III – Black Cats Motorcycle Pack for PC. Mafia III is a story-driven action-adventure video game developed by Hangar 13, and published by 2K Games for Xbox One, PlayStation 4 and PC, in January 2017. The game is part of a trilogy with Mafia II and Mafia III - Definitive Edition available on console and PC. The original game was released for Microsoft Windows, OS X, iOS, Android, PlayStation 3 and Xbox 360 in June 2011. A DLC titled The Lost and Damned was released on May 19, 2013 for Xbox 360 and PlayStation 3. A second DLC titled The Italian Job was released on May 17, 2014 for Xbox 360 and PlayStation 3. A third and final DLC titled The Cute Cats Returns was released on January 30, 2016 for the Xbox One and PlayStation 4. Mafia III's plot, according to the game's Twitter page, follows the same general plot as the original Mafia game, following the four families who are feuding over New Bordeaux. In The Cute Cats' Return DLC, players can control any three of the Mafia's most loyal mascots, Lenny, Nicky, and Judy, all of whom come with their own unique skills and abilities. Lenny and Judy will join the player in missions while Nicky is controlled by Mafia III's AI. Each animal has its own style of play, such as sneaking through vents or attacking using a bow. The game was released for the PC via Steam, the PlayStation Network, and the Microsoft Store. A Nintendo Switch version of the game is also in development. The game's combat was compared to that of games in the Uncharted series, while other aspects such as its story were compared to The Godfather franchise and the works of Joseph Campbell. Joseph Staten of 1C Entertainment announced in June 2019 that the game has shipped over 3 million units as of June 2019, and that there are plans for it to receive an additional price cut, as well as additional content, before its 2019 E3 release. Play Mafia III: Black Cats Motorcycle Pack and experience the definitive version of Mafia III game with all DLCs, in enhanced graphics & physics, more challenging gameplay and exciting story. You can also save your progress at anytime, and continue to play from any location. Mafia III: Black Cats Motorcycle Pack includes the following game modes: Crime Campaign, Firefight and Contracts: Stealing Business. Buy Mafia III: Black
