Features Key:

- **FIFA Ultimate Team.** Available only to FIFA Ultimate Team Season Ticket members.
- **World Class Graphics.** The best graphics on any console are back. FIFA 22 is the best looking football game on any console. Dynamic lighting, realistic textures and an upgraded crowd system mean stunning visuals on any system. High detail players and striking new animations add to the FIFA 22 experience, all delivered with enhanced player movements, more realistic player models and DLS network coverage. Players have their own physical attributes. Makeover kits now include four clothing variants: shirt, shorts, socks and shoes. Players may also choose from four different base skins. Players can now also make a new non-playing member of their squad just by selecting the required traits, and there's always room in your squad for a player speciality such as good technique, ability to make a big tackle and a confident shot at goal. The UEFA Champions League trophy has returned. Career records have also been reset to maximum levels, meaning players can jump higher and faster.

"Since its first release, the Champions League trophy in FIFA has become one of the most iconic images of football. Now, as we welcome our 200th Champions League on FIFA, we're revamping the trophy and adding new player, manager and superstar cards for a fresh and overhauled FIFA experience. Fan voting to decide the champion has also returned. Will Lionel Messi or the newly-elected UEFA President, Gianni Infantino, take the title this year? Check back every week for new content, including a new competitive fixture, and remember to follow all the action online at www.facebook.com/uefaFootball and www.uefa.com/live."

- **Transfer.** For the first time ever, you can immediately sell unwanted players. We've all been there before, and we all wish we had a £10bn budget. **Transfer** takes care of that. Now, if you no longer feel the need to play off Daleks or rev up his speed, just

sell your unwanted stars to other clubs. If you've completed your transfer, the game calculates your final finances. If you want to buy those shiny gold boots, well, you just might have to save your pennies. **Transfer** now includes a career mode and simulation mode.
