a 2007 horror-survival film directed by the husband-and-wife team of Kevin Siembieda and Samantha Gill. It was written and produced by Siembieda and his wife, Samantha. The film stars Lindsay Price, Scott Spelling, and Denise Crosby, and was released on DVD and VHS by Voltage Pictures. The film was given a limited theatrical release on September 9, 2007 and screened at various horror film festivals that year. Plot A small-town medical examiner, Caleb, is called to a site where a hunter has found a rotting corpse with protruding animal teeth. Caleb soon discovers that this corpse is unlike anything he has ever seen, and the corpse

begins to take control of Caleb's dreams and actions. Following the investigation, Caleb is diagnosed with an unknown, previously unidentifiable mental disorder. With the help of his eccentric friend, a town eccentric, and a neurobiologist, Caleb must work to determine what has happened to him and 648931e174
