"It's been a lifelong dream to create the ultimate football experience, and we've been hard at work bringing that vision to life," said Peter Moore, Executive Vice President at EA Sports. "By using AI technology and 'HyperMotion Technology,' we're recreating the challenges a player would face in an actual football match in new and exciting ways." "I'm excited to see all of the elements and features coming together at an unprecedented level," said Erika Dy, Producer, EA Sports. "I am proud to say we put our entire studio on this game. We're bringing together a pedigree of teams, including many new faces from the FIFA team. We have some great ideas and we're proud to share them with the world. We're so excited and proud to be launching EA SPORTS FIFA 22 on August 27." New Features: The Basics: The return of player-impact physics add a level of fidelity and nuance to your shots, passing, and overall on-pitch action. Let your feet do the talking: you can shift ball control using your pitch awareness and defensive positioning. Having control of the ball and have the option to pass or shoot in any moment allows for the

creation of great opportunities. Choose up to four unique player kits, including over 25 player appearances. New 2019-21 Player Eligibility: Try out for the “FIFA 22 Most Wanted” contest starting on August 14 with a chance to earn a tryout for the FIFA 22 U.S. National Team. FIFA 23 is currently under development, but fans can vote for the next edition of this core game via FIFA.com, starting July 26. Also, check out FIFA 21 Ultimate Team’s Draft Day, starting on August 20. Pre-Order Information: The FIFA 22 Ultimate Team Gold Edition will be available September 18. A PlayStation 4 and Xbox One 12-month subscription will be available at launch as well as a digital version of the game for PS4 and Xbox One, which includes the game, 12 months of EA Access, and special in-game content for the FIFA 22 launch. For more information and to pre-order, visit www.ea.com/pt

EA SPORTS FIFA is the game that has set the standard for football gaming, with more titles, gameplay features, and gameplay innovations than any other game. Whether you are a football fan who likes to play, a casual gamer looking to create your own football story or a professional football player who loves the games, FIFA is designed to satisfy everyone. FIFA 22 lets you master football through the gameplay innovations that make FIFA stand out, like Precision Dribbling, Mind Vision and Sprint, as well as the fundamental advances that you see in gameplay. We've developed an improved ball-tracking system, new engine and physics solutions, that make FIFA more balanced, true-to-life and reactive. Prepare for your worst days Play as one of the best teams in the world, including Juventus, Tottenham, the Spanish national team and Turkey, to experience life in the Champions League. Play as a totally new team like Atletico Madrid, Sporting Lisbon or Villarreal, and as a group of free agents like AC Milan, Sunderland, West Ham or a whole new world of great European clubs. In the new 'Master League' mode, play as one of the best teams in the world from the Premier League, La Liga, Bundesliga, Ligue 1, Serie A or any of the key national leagues around the world, including from the African and Asian Leagues. The Franchise Mode from FIFA lets

you set your team up to play any way you want, featuring real-world team finances, and new player bonuses, player ratings, contract lengths, kit sponsors and brand sponsors. We've completely rebuilt the game engine and our core FIFA engine to help you design your very own team, while you also have the opportunity to take over current teams and compete in the World Club League, bringing your own identity to the team. Create your own story from start to finish in Franchise Mode. FIFA also gives you freedom to play whichever way you want, whether it's playing one of the new 'Freedom of Play' modes, or customising your own team, creating your own real-world stadium and all-new game modes. E-A-S-P-A-R-D It's on us to make FIFA as fun as possible. We've listened to the feedback of millions of players and we know that we have things to change to make EA SPORTS FIFA better. We're always looking to improve
