I am trying to retrieve value from the tag test test test test How do I find the value? A: You can use the following xpath:-

driver.findElement(By.xpath("//div[@class='demo attr-val-for-customer']/span[@class='wrapper attr-val-for-customer attr-type-field']")).getText(); [Intracranial dural-based meningiomas in adults]. Meningiomas are common intracranial tumors. The majority of them arise from the arachnoid membranes, the third ventricular floor, the temporal lobe and the falx. Isolated dural-based meningiomas are a rare entity in adults. We report on 6 patients with isolated dural-based meningiomas. Presenting complaints were headaches in 4 patients and visual disturbances in 2 patients. All tumors were operated
